*** Master Men's Quad**

Due to a result processing error, St. Paul B-Lamppa instead of Duluth B-Forsberg in Heat Race A should have advance to the final. Race result processing staff entered incorrect split time for Duluth B-Forsberg (00.24 seconds instead of 23.75 seconds). The Minnesota Boat Club reported this error after the event's final on August 21. At around 2:30PM, NWIRA Executive Committee reviewed the heat results and final result for this event and decided to award St. Paul B-Lamppa third place point and award Duluth B-Forsberg no point. Duluth A-Cochran retains third place point.

**** Master Men's Pair**

At the conclusion of the race, a coach from the Minnesota Boat Club reported an observation to the NWIRA Executive Committee that crew for Minneapolis B – Prusak not only competed in this Master event but also in Open events. The Committee reviewed crew entry in this event and Open events and disqualified the crew's finishing time and result in this event. For the purpose of assigning aggregate points in this event, four boats have started and finished this event. Thus, the top three boats received aggregate points.

***** Junior Women's Double**

Due to issues with timing during the event's morning heats, race officials conducted a semi-final heat for the 2nd and 3rd finishers from each of the event's morning heats just before the first final of the day (August 22). The top two finishers in the semi-final heat along with the first place finishers from each of the event's morning heats advanced to the event's final.

****** Junior Women's Single**

No finishing time was available in Junior Women's Single Heat A.
